1. PLEASE INITIAL AFTER READING AND UNDERSTANDING:

- a. _____ **The size chart you see here is not the same as street clothing!! Bridal sizing is different than normal dress sizing. Note: you will usually wear at least 2 sizes larger in bridal dresses than you do in street clothing.**
- b. _____ **All manufacturers suggest ordering your dress size based off your largest measurement and then have the dress altered to fit the rest of your figure. Please take this into account when selecting your dress size.**
- c. _____ **If you need guidance, we will do our best to help you select the size that will require the least amount of alteration. Bridesmaids manufacturers do not offer custom sizing and therefore, in most cases, the dress will require alterations to make the gown fit perfectly.**
- d. _____ **ALTERATIONS ARE NOT INCLUDED IN THE PRICE OF THE DRESS.**
- e. _____ **All sales are final. No monies will be returned under any circumstance once an order has been placed.**
- f. _____ **All orders with a balance will be charged to the card provided upon arrival.**

2. **Measurements** should be taken by a professional seamstress. Please wear the undergarments you plan to wear on the day of the event while being measured to ensure accuracy.

a. **BUST** (in inches) _____

b. **WAIST** (in inches) _____

c. **HIP** (in inches) _____

d. **HEIGHT** _____

i. If you are taller than 5'7" (with wedding day shoes) you will need extra length. Charge: \$25.
